Meeting began at 9:00 a.m.

Parent Social Night Out:

- On May 31st, Estabrook will host a social evening event at a local restaurant.

Green Team Update:

- Following a district-wide Green Team meeting, the prospect of purchasing a water bottle -filler was discussed. While it is proposed the PTO pay for the machine, the town would cover maintenance and installation costs. Further discussion will be held in conjunction with possible milk dispenser-installation at a later date.

Estafest:

- Food, auction and raffle preparation are running smoothly and according to schedule. We are still hoping for some additional silent auction donations.

Frogs:

- The drawing contest and subsequent fundraiser proved to be hugely successful! It is projected that enough was raised to continue to fund the frogs for the next year.

Science Fair:

- Another huge success! Students' research into air quality at Estabrook has raised concerns over idling engines in the driveway.

PPC Update:

- School Committee candidate forum will be held on February 28th at 9:30 a.m. in the Community Center. All are encouraged to attend and meet with the candidates.

Treasury:

- Finances are on track.

Principal Evening:

- Principal Rogers will hold a discussion on the subject of math on a Thursday evening in March, in lieu of a Friday morning event.

Meeting ended at 9:45 a.m.
